

## AmnioWellness Hair

### Overview:

AmnioWellness hair hopes to help you rejuvenate your hair from the root. Regardless of the reason for hair loss, patients have reported and documented amazing results. The process is simple and can be completed in less than an hour. It is recommended that you take pictures prior and post treatment.

### Protocols:

- Please no anti-inflammatory medications
- Keep head clean and covered
- You can wash hair 24 hours post treatment
- Stay consistent with your micro-needling appointments

## Additional information:

You may experience a more vibrant deeper sleep, improved daytime energy, and more rapid healing from training. Your face or hair may heal rapidly. Pay attention to your body and catalogue results for in writing or video about your journey.
